This is an individual insurance policy

GENERAL PROVISIONS

Misstatement of Age — If You make an inaccurate declaration relative to the Insured's Age, the Death Benefit will correspond to the amount the Premium paid would have provided for at the Insured's true Age.

Effective Date — This Policy will take effect on the Date of Issue.

Entire Agreement — This Policy, the Data Page and the application, a copy of which was given to You, form the entire agreement between the parties.

Incontestability — We will not contest this Policy after it has been issued.

Non-participating — Premium rates for this Policy are guaranteed and this Policy does not confer the right to share in Our surplus.

Suicide Exclusion — Suicide, while sane or insane, within two years from the Date of Issue, is an excluded risk. In such case, Our liability will be limited to the reimbursement of all the Premiums paid up to the date of death.

PREMIUM PROVISIONS

Amount and Frequency — Premiums may be paid with monthly, quarterly, semi-annual and annual installments, over a period of one, three, five or ten years (three and five year options are available only if Age is under 86 and ten year option is available only if Age is under 81).

The first Premium is payable at the Date of Issue. After that, each Premium is payable at the end of the term covered by the prior paid Premium until all Premiums have been paid as described in the payment schedule of the Data Page of this Policy.

Grace Period — A grace period of 30 days from the due date of a Premium is allowed for the payment of each Premium except the first one. This Policy remains in force during the grace period. If the Insured's death occurs during the grace period, We will deduct from the Death Benefit, that part of the unpaid Premium from its due date to the date of the Insured's death.

If a payable Premium is not paid by the end of the grace period, We will reduce the Face Amount to the amount that Premiums paid to such date would have paid up.

DEATH BENEFIT PROVISIONS

Upon receiving Written Notice of a claim and a photocopy of the death certificate issued by the funeral establishment or cemetery, We will pay to the Beneficiary the Death Benefit, which equals:

- 1) During the first two Policy Years (or during the first Policy Year for a plan payable in one year), all Premiums paid, to which we will add annual interest of 10% beginning on the Date of Issue.
- 2) Beginning with the second Policy Anniversary (or the first Policy Anniversary for a plan payable in one year), the Face Amount plus daily interest added as declared at Our sole and absolute discretion from time to time for this Policy since the Date of Issue.

The claim must be filed using our form and be accompanied by a photocopy of the death certificate issued by the funeral establishment or cemetery.

The Death Benefit is subject to all provisions of this Policy, including any assignment made by the Owner.

BENEFICIARY, OWNERSHIP AND ASSIGNMENT PROVISIONS

Beneficiary Succession — Death Benefit will be paid to:

- a) to the Beneficiary, if living; if not,
- b) to the contingent beneficiary, if any and if living; if not,
- c) to the Owner, if living; and if not,
- d) to the Owner's estate.

If more than one person is named in the same class, the Death Benefit will be paid to them in equal shares, unless otherwise provided.

Change of Beneficiary — While the Insured is alive, the Owner may change the Beneficiary by sending a Written Notice to Our office. This change will take effect as of the date of receipt of the Written Notice. The change will not be applicable to any action taken or payment made before We receive the Written Notice. Unless stipulated otherwise, the designation of the Owner's married or civil union spouse as Beneficiary is irrevocable and any designation of a person as an irrevocable Beneficiary cannot be modified at a later date without consent of that Beneficiary.

Rights of Owner — The Owner may, while alive, exercise all rights and privileges provided by this Policy. However, the rights of the Owner can be limited or extinguished by Written Notice of:

- a) Assignment of this Policy to a third party; or
- b) Designation of an irrevocable Beneficiary.
